

THE LANCE

Vol. I

LINGANORE HIGH SCHOOL, NOVEMBER, 1962

No. 1

P. T. A. SUPPER IS SUCCESSFUL

The Parent-Teachers Association of Linganore High School held a turkey dinner at the school on Saturday, October 27. Many friends and parents were in attendance. The menu consisted of: turkey, mashed potatoes, dressing, sauerkraut, peas, gravy and applesauce.

Not only was the food delicious, but most attractive were the table decorations which reflected an autumn theme.

Total gross receipts taken in were over \$1100. This would lead us to believe that a considerable profit was made.

Much organizing went into setting up the dinner. Numerous plans were made by the executive committee and carried out by the various committees and chairmen. Many parents and members of the cafeteria staff spent long hours Friday evening and Saturday morning preparing the food, and they then returned that afternoon and evening to serve the dinner. Their efforts are greatly appreciated by the members of the student body who recognize their hard work and long hours. Many thanks to all who helped make this supper such a success.

Also enjoyed by the student body was a fine record hop held in the gym after the dinner. This dance was well supported by students, faculty and parents.

Again, many thanks for a very fine affair.

— L. H. S. —

Thanksgiving Assembly

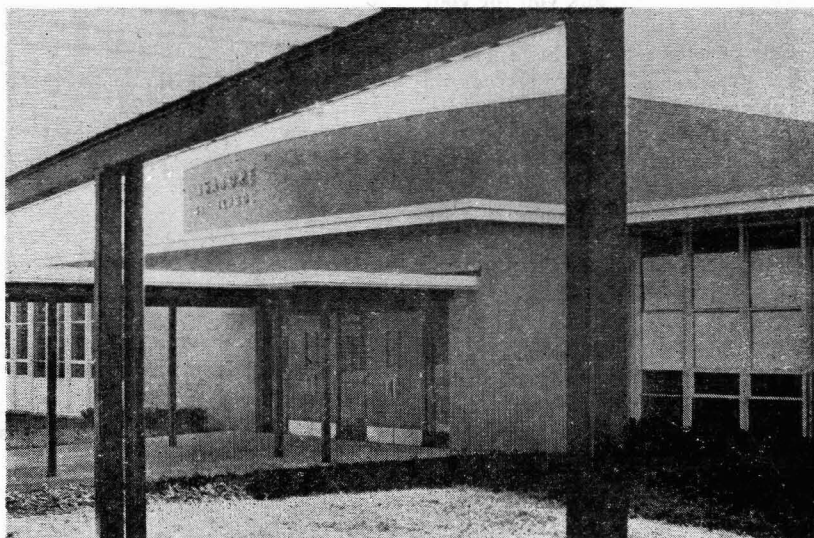

A Thanksgiving assembly was held November 21, 1962 in the Linganore High School auditorium. The junior high assembly was held from 9 to 10 a. m. and the senior high from 10 to 11 a. m.

Mr. Moore narrated the affair and Rev. Aist was the guest speaker. The theme carried on throughout the assembly was the "Meaning of Thanksgiving."

— L. H. S. —

SCHEDULE

- | | | |
|----------|----|--|
| November | 21 | Schools close at 3:30 p. m. for Thanksgiving Holidays. |
| December | 10 | Christmas assembly, "Why the Chimes Rang." |
| | 21 | Schools close at 3:30 p. m. for Christmas vacation. |

LINGANORE HIGH SCHOOL

National Education Week

National Education Week was held the week of November 11-17 with many activities scheduled. The Future Teachers Club sponsored the activities. Students from this club were on hand to register the parents as they arrived and assisted in guiding them to their desired rooms. Once in the classrooms, the parents had a first-hand opportunity to view activities conducted by the students and their teachers.

On the afternoon of November 14, two movies were shown in the auditorium entitled, "The Drop Out" and "Farewell to Childhood." This was followed by a refreshment hour. At this time the parents had a chance to confer with the teachers.

— L. H. S. —

SENIORS ARE TESTED

On November 27, thirty-five seniors will receive State of Maryland Employment Service Aptitude tests. These tests are designed to measure the more prominent individual aptitudes of each student, whereupon an effort will be made through the employment service to locate jobs for them, should they be unable to locate employment for themselves at graduation time. Test results will be recorded and returned to students in March of 1963. Mr. Shriver said that Mr. Danner and Mr. Clark would most likely be the administrators of the test.

— L. H. S. —

"When you're feeling sorry for yourself and forget how to grin - - the best thing to get off your chest is your chin."

DEDICATION IS PLANNED

On December 2 at 2:30 P. M., the formal dedication of Linganore High School will take place. Much organization and forethought must go into the arrangements for this ceremony. The program planned includes a message by guest speaker, Dr. David Zimmerman, Deputy Superintendent of Schools, from the Maryland State Department of Education. Various county and state officials will also be present to participate. The brief ceremony will be followed by light refreshments and a tour of the school.

As early as the start of this school year, work and plans were in effect to complete the building. The school is now complete in its teaching facilities and in its physical make up. The latest added improvement has been the addition of all types of shrubbery that beautifies the building and grounds. To those of us who have watched and waited patiently for its completion, Linganore High is truly a magnificent structure. No other school in the county has the many fine facilities that make school life so much more interesting and learning so enjoyable.

"To find out what one is fitted to do and to secure an opportunity to do it is the key to happiness."

FROM US TO YOU

- - - Pat Bosic

On behalf of Mr. Melcher, the TALISMAN staff, and the yearbook officers, I wish to thank you for your support in the Yearbook Drive. The number of subscriptions have not yet been counted, but I'm sure the results will be as good as expected.

The yearbook staff is already hard at work to produce a yearbook that will make anyone at Linganore proud to own one. We have chosen our school for the yearbook theme, and what could be more appropriate? To us is given the honor of tracing the building of the school and its many new and wonderful facilities.

We thank you for your part in the yearbook, but it hasn't ended yet. We are still asking your help in the advertising and patron drive which is still in progress. Remember, this is **your** yearbook, and we do need your help.

— L. H. S. —

THINGS I WISH I HAD KNOWN

Quote: Baltimore Post

A reply from a distinguished gentleman when asked to tell his thoughts on life was as follows:

Things I wish I had known before I was 21

I wish I had known what I was going to do for a living, and what my life's work would likely be.

I wish I had known that my health after 30 was largely dependent on what I had put into my stomach before I was 21.

I wish I had known how to take care of my money.

Things I wish I had known after 21.

I wish I had known that a man's habits are hard to change after 21.

I wish I had known that the harvest depends so much upon the seeds sown.

I wish I had known the world would give me just about what I deserved.

I wish I had known the folly of not taking the advice of older, wiser people.

I wish I had known that Dad wasn't such an old fogey after all.

I wish I had known that everything Mother wanted me to do was right.

I wish I had known more of the helpful and inspiring parts of the Bible.

I wish I had known the tremendous value of the opportunity and the joy of serving a fellow man.

I wish I had known that there is no better exercise for the heart than reaching down and helping people up.

I wish I had known that the "sweat of my brow" would earn my bread.

BAND ACTIVITIES ARE BOOMING

The band room of Linganore High School has been a very busy place since school opened in September. About 50 students have been working together with Mr. Walker to organize a band of which Linganore can be proud.

The beautiful band room and the uniforms which the band was able to purchase gave the students something to start with.

Last year, a band handbook was compiled by a few students and Mr. Walker. This book contains appropriate rules, regulations and band techniques.

This year, officers have been elected for the band and committees have been appointed to carry out various jobs. The band played for the dinner held at the school, and it is now preparing for the dedication program. Linganore High School was also represented by Barbara Holtzaple at the all Maryland State Band in October.

The band is working very hard, and the spirit of the members is meritorious. A school needs a band and our band needs the support of the school.

Thanksgiving Mix-Up

By Peggy Driver

Thanksgiving is here;
Boy, what a mess.
Everyone's loaded,
And Pa's playing chess.

The table is ready;
The turkey arrives.
And I'll make a bet,
That everyone dies.

The children are eating;
I'll stand it no more.
Their faces are covered,
And food's on the floor.

Now dinner is over,
And everyone wishes
To rest for a while;
So I'm stuck with the dishes.

Now the whole mess is over,
And boy am I glad.
I wish that Thanksgiving
Was an out-of-date fad.

I wish I had known that thorough education brings the best of everything else.

I wish I had known that honesty is the **Only** policy.

I wish I had known the value of truthfulness in everything.

And today I wish I knew the formula for impressing you and other young people that life is a mirror which will reflect back to you what you think into it.

Why Frederick High?

- - - Ted Thompson

On the dawn of the opening of our school, many of us wished we could remain at Frederick High. Two of our students stayed at Frederick High School; one went back, and a few still wish they could return.

We are now Linganore High School students, so let us pull together and really make Linganore High something to be proud of. To the abstainers I say, "Go back to F. H. S., or become part of us." Linganore will never be or have anything to be really proud of unless these splinter groups are dissolved. So, come on gang; let us pull together as a high school and make it tops in every way! We can make a great school of Linganore High if we just work together for that goal.

— L. H. S. —

Why Call The Police?

- - - Carlton King

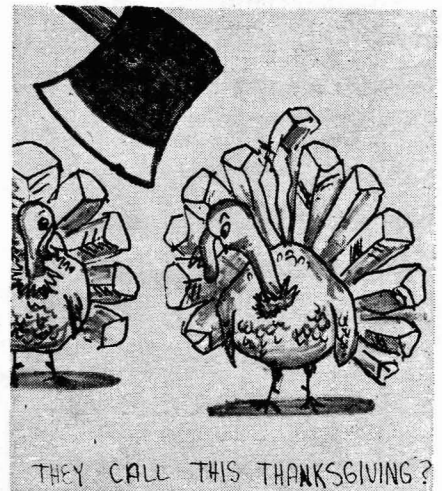

Recently, several student drivers from our school received tickets from the Maryland State Police for offenses they had committed. Many of these students griped about this action and said it was not warranted.

Let me ask these students this, "Is it wrong for the police to want to protect you?" Yes, believe it or not, that is what they are doing. So don't feel that you are being persecuted, but that you are being helped and guided toward better habits and perhaps, in the end, a better life.

Now don't get me wrong; I'm not saying you should enjoy being arrested; I know I don't, but you should profit from the experience.

Many of us, if we had been let go long enough, would have ended up on the side of a tree or in a jail.

— L. H. S. —

QUOTES:

"Doing what's right is no guarantee against misfortune."

"You can't count your blessings until you realize what one is"

Shown above left to right are Mr. O'Toole's and Mr. Unger's classes: Robert Witmer, Brenda Day, Harry Smith, Mary Pearre, Marcella Hawkins, Nick Wood, and Robert Buckman, Barry Clay, Jamie Barnes, Phyllis Lambright, Susan Smith, and Robert Page.

CORE ACTIVITIES

Mr. McGolerick's 7A Core class has been studying a unit on the "Human Body." This includes the physical effects of growing up, the digestive system, the study of teeth, and also the respiratory system.

The showcase by the library was occupied by a display of the digestive system. The bulletin board committee working on the digestive system consisted of Marian Metcalfe, Linda Sue Myers, and Wendy Huttenberger.

In English the group is studying how to diagram the different kinds of sentences.

Two weeks ago officers were elected for the 7A Core class. They are as follows: President, Norma Brinkley; Vice President, Amanda Zeltman; Secretary, Ellen Hevner; Treasure, Gareth Sweadner; and Monitor, Kathy Grumbine.

Mr. McGolerick's 7C Core class has been studying the country of Mexico in their social studies unit of "Our Southern Neighbors." They are especially enjoying learning a Spanish vocabulary and speaking Spanish words.

In English, they have been studying the use of synonyms, antonyms, homonyms, and the troublesome words.

They are keeping abreast the times with a weekly newspaper entitled "Current Events."

Mr. McGolerick stated: "We are trying to make perfect papers on our Friday spelling lists. During the week we study the definitions of our words and on Friday use the words in sentences."

Students of Mr. O'Toole's Core classes are studying about the expanding and shrinking world. They are also studying grammar, writing up reports, and increasing their English vocabulary. For these reports, the students have been spending time in the library taking notes, and also learning more about the library.

Mr. Unger's 7B and 7D Core classes have been working on a unit which includes Mexico, and Central and Latin America. A special feature of this unit includes colored filmstrips on each country.

The classes have been participating in such activities as the following: individual and group reports to the class; various projects, such as salt and flour maps; bulletin boards; a Spanish vocabulary list; outline and product maps; compositions dealing with the various phases of Mexican life such as food, clothing, schools, sports, religion, and manufacturing; recorded original music of Latin America, and notebooks on life in Mexico.

Mrs. Shipley's 7E Core class is studying the "Conservation of Human Resources from the Past." This unit takes in the physical aspects of our country, including water resources, minerals, industries and many other things. So far, the class has covered many units. Among these are the following: a unit on conservation and also a unit covering the Stone Age, Roman Empire, and the Egyptian era. The group brought in pictures of the various places, and Mrs. Shipley was pleased with the way the group responded. In the near future, the 7E Core class is going to study "Our Neighbors to the South" and also Latin America and Canada.

SENIOR NEWS

Senior Class Meeting Held

On October 26, 1962, the first meeting of the senior class was held. Presiding over the meeting was Mr. Harry O. Smith, principal of Linganore. At this meeting such questions concerning dances, bands, and privileges of the senior class were discussed.

The questions discussed concerned the attire that should be worn, if it was possible to have a band play at future dances, and if the senior class would be allowed to have a separate prom or a combination Junior-Senior Prom. A ruling was made that organizations not affiliated with our school must have the approval of the Board of Education in order to have a dance at the school.

At the closing of the meeting, Mr. Kennedy distributed the proofs for the senior pictures.

WANTED; LOST; FOUND; and FOR SALE

WANTED: Plenty of school spirit for our soccer and basketball teams

WANTED: Less or no homework

WANTED: Money for the seniors

WANTED: Men! — all ages (12-18)

WANTED: More dances in the gym

WANTED: Muffler for Chuck's car

LOST: The juniors in chemistry class

LOST: Algebra teacher; last seen with 8C Math class

LOST: Senior's money, if found contact Carlton King, Bob Clark, or Jerry Gladhill

LOST: My P. O. D. notes!

LOST: One class ring

FOUND: Two lost seventh graders

FOUND: Six wacks and a three-day vacation from school

FOUND: Ten easy ways to hook school; if interested, inquire at office

FOUND: Sudden Interest in French girls

FOR SALE: My lunch!

FOR SALE: Homework answers for Mr. Barnes' Class

FOR SALE: Miss Memmi's type writers

FOR SALE: Check list for dances

WANTED: More bows for Goldie

Sports Spindle

Soccer Engagements Held

Walkersville Lions

On October 17 the Lancers of Linganore met the Lions from Walkersville. This was a close game, but the Lion's team proved to be more than enough for our newly formed team. The final score was Linganore 0, Walkersville 2.

Middletown Bears

October 25 was the date for the game between the Lancers and the Bears of Middletown. During the first quarter Bob Watkins scored a two-pointer for Linganore. This was equalled by Middletown during the second quarter to make the score 2-2 at the halftime. The third quarter was marked by the absence of any successful goal attempts by either team. The fourth quarter appeared to be heading in the same direction when, with three minutes until the termination of the game, Middletown came through with a goal, closely followed by another.

The Lancers really fought hard in this game. Special attention is deserved by Ed White, who made so many spectacular moves to save the goal that it really disheartened the opposition when they got the ball near the goal, only to have Eddie send it back up field. The final score was: Linganore 2, Middletown 6.

Emmitsburg Liners

The 31st of October was the occasion for a meet between the Lancer soccer team of Linganore and the Liner team of Emmitsburg at Emmitsburg. The Liner team proved superior throughout the game. Although our Lancers did not win they played a winning-type game. Final score Linganore 4, Emmitsburg 12.

Although our soccer team has not had a long winning streak, they are doing fine for a group of boys who have just started. They are putting a great deal of effort into this game, and the student body should give them more backing. This would constitute more effective cheering and a little more attention paid at the games. If you want your team to win, you have to give it the winning spirit.

— L. H. S. —

Congratulations to the Lancers! November 7's game brought a 6-4 victory over Thurmont.

A View of Our Cheerleaders

Front Row L. to R.; Salley Ecker, Ruth Martin, Carolyn Morris, Cynthia Matthews. Back Row; L. to R.; Kitty Metcalfe, Frances Green, Doris Albaugh, Shirley Rippeon, Carole Kent, Jackie Gordon.

First Game of Hockey Played

According to Mrs. Dennis, if we lose any hockey games, it's because not enough girls have come out for the practices after school. The girls who did show up though, worked hard to try to make up an above-average hockey team. On November 1 the girls played their first game against a rough school, Mount Airy. It was a hard-fought game with the final score being 7 to 0, Mount Airy winning.

On November 8 a hockey tournament was held at Thurmont High School and our girls gained much experience by having an opportunity to play teams from several schools in the county. No scores are available from these games.

— L. H. S. —

School Spirit Week Planned

To start off our first basketball game of the season, a School Spirit Week will take place during the week of December 3 to 7. The purpose of School Spirit Week is to bring more enthusiasm to our school and to bring more students to our basketball games. During this week the students are asked to dress for these occasions: Sweat Shirt Day, Sweater Day, Dress-Up Day, and School Color Day. Coach Daugherty and the boys on the basketball team want to see everyone at the game on Friday and everyone dressed as they should be for School Spirit Week.

Play Day Held at Linganore

On October 23, a volleyball playday was held at Linganore High School. Participating in the playday were Thurmont, Emmitsburg, and Walkersville Junior High Schools. To start the day off, the girls were split up into different teams consisting of the following: Ghosts, Cats, Tombstones, Moons, Apples, Brooms, Cornshocks, and Pumpkins.

To identify the team which she played on, each girl wore a small tag. All of the girls who participated in the volleyball games met girls from other schools and had a very enjoyable day.

— L. H. S. —

INTRAMURALS

During the week of October 22, Mrs. Shriver and Mrs. Dennis had their physical education classes participate in intramural games. Mrs. Shriver's 8A played 8C with 8C winning. As a result of their winning, 8C played 8B, and 8C won.

Mrs. Dennis' ninth grade physical education classes played against each other and the winner in the ninth grade class played Mrs. Shriver's ninth grade classes. After a hard-fought game, Mrs. Dennis' ninth grade class were the champions.

To keep these games well-organized, the Rec Council girls officiated and did an outstanding job.
